

# HOMEMADE PLAYDOUGH RECIPE

(Instructions can be found on <https://www.iheartnaptime.net/play-dough-recipe/> )

## WHY IS THIS THE BEST HOMEMADE PLAYDOUGH RECIPE?

- It is SUPER soft and squishy, but doesn't stick
- The play dough lasts for months in a zip top bag
- It is inexpensive to make
- It makes enough for 4-6 kids
- You can add different colours and even scents to customize your dough

## HOW TO MAKE PLAYDOUGH

Playdough Ingredients:

- 2 cups all-purpose flour
- 3/4 cup salt
- 4 teaspoons cream of tartar
- 2 cups lukewarm water
- 2 Tablespoons of vegetable oil (coconut oil works too)
- Optional: Food colouring

## INSTRUCTIONS

1. Stir together the flour, salt and cream of tartar in a large pot. Next add the water and oil. If you're only making one color, add in the the color now as well.
2. Cook over medium heat, stirring constantly. Continue stirring until the dough has thickened and begins to form into a ball. Remove from heat and then place inside a gallon sized bag or onto wax paper.
3. Allow to cool slightly and then knead until smooth. If you're adding colours after, divide the dough into balls (for how many colors you want) and then add the dough into the quart sized bags. Start with about 5 drops of colour and add more to brighten it. Knead the dough, while inside the bag so it doesn't stain your hands. Once it's all mixed together you're ready to PLAY.
4. Store the play dough inside the bags once done to keep soft. Keeps for up to 3 months.
