Dear Cedar Springs Community Club,

I would like to extend my heartfelt congratulations to the Cedar Springs Community Club on your 100<sup>th</sup> anniversary! On behalf of City Council, I acknowledge the wonderful contributions your organization has made in fostering community, creating family fun, and encouraging play in Burlington for the past one hundred years. As Mayor, I would like to thank all members of the Centennial Committee for their work and involvement in recognizing this significant milestone for one of Burlington's key attractions.

The Cedar Springs Community Club (CSCC) is characterized by a remarkable dedication to its member families, and is closely aligned with Burlington's vision for community growth and the preservation of our natural woodlands. The longevity of CSCC is a testament to its foundational values to promote environmental sustainability and maintain the natural beauty of northern Burlington so more residents can experience it firsthand.

Burlington is better because of the Cedar Springs Community Club. Because of your commitment, Burlingtonians can enjoy cottage country within our own City. Thank you for your meaningful contributions toward our community and for providing memories for thousands of families over the past one hundred years. Congratulations again on your centennial anniversary!

Best wishes for a fantastic Canada Day as you celebrate this incredible milestone.

Sincerely,

Mayor Marianne Meed Ward  
City of Burlington
